

LSTA Boys Pre-Season High School Camp

(SPRING 2010)

What? This mini-camp is specifically designed and geared toward preparing local boys high school team players for the up-coming 2010 season. The program will be directed by Lyle Schaefer with the help of several associate coaches. Time will be spent on drills specific to match play situations. We'll work on point play that simulate the "great outdoors" of our Wisconsin spring boys season. The objective will be to prepare you for the challenge of playing "the elements". Both singles and doubles tactics will be covered and some match play to wrap up each day.

Where? Outdoor site to be determined

When? March 22nd to 26th, 2010 (Monday to Friday; 4:30pm to 6:00pm) Saturday will be a back-up day if the weather becomes too inclement. ONE WEEK CAMP only.

Cost? \$125.00 for the week. Total amount due by March 12th.

Make payment to:
